Important: Register Your Child for Vegan Meals

If children follow a vegan diet, please let us know so we can provide the right meals at school.

Why do we need this?

- Hampshire County Council does not automatically register vegan diets under its special diet provision.
- Some vegan menu items need to be specially ordered, so we need accurate records to prepare properly.

Next steps:

- Please share the below advice with the parents of your school; allowing them time to complete the actions below.

What parents need to do:

Register your child as vegan using:

- [This link](#)
- Or the QR code provided

Deadline:

Please complete registration by 5th December so we can prepare menus in time.

Medical Diet Emails

- Our nutrition team is contacting parents to confirm medical diets.
- Schools are copied in for reference only – no action is needed from you.
- Kitchens will receive copies directly from us.

Many Thanks for your cooperation
