

YOUTH ALPHA - Graphic attached

The Rising Generations Team from Basingstoke Church, who regularly come in for assemblies, are running Youth Alpha this term and would love to invite years 6s to join!

Youth Alpha launches on **Thursday 29 January** and is a brilliant way to explore the Christian faith, to dive deeper, and ask questions about their faith in a fun, relaxed, environment - plus there's pizza, what more could you want!

This is a brand-new 8-week course aimed specifically at teens and is running in-person at **St Michael's Church Cottage (Town Centre)**, and we would love to see your young people there!

To find out more or to sign up follow the link below or you can email **callum@basingstoke.church** for more information!
